DETAILED DESCRIPTION OF THE TRIP:

Check out one of the most radical and extreme adventure sports to come along in a while... Canyoning! What is Canyoning you ask? Its a fast-paced adventure sport where you travel up and down through wet or dry river canyons by means of sliding, swimming, climbing, jumping or repelling down. Sometimes that means rappelling down through a waterfall or jumping into a small but deep pool of water. On this trip expect to descend down through a small canyon using only your wits, and a bit of protective equipment. Mid-day we stop for lunch and then just before we head back, its off on a hiking adventure to enjoy the scenic trails of the Slovenia highlands and on our journey we arrive at a nearby spectacular scenic waterfall. Don't forget the camera!

SPECIAL REQUIREMENTS:

Minimum age is 15 years old and not be afraid of jumping from heights. Come prepared for any type of weather as wet is wet and you **WILL** get wet while on this trip. No special equipment needed for the hike.
